How do I remove the volvo penta 5.0L engine on my 2002 four winns horizon 200 - Answered by a verified Marine Mechanic. We use cookies to give you the best possible experience on our website. ... I need a service manual, not owners manual for the drive and the engine including the electrical. I just found out my inboard frooze up and now has water in the oil. Does anyone have step by step instructions on how to remove an inboard engine. I have a 2002 Campion explorer with a 4.3 GL and a Volvo Penta SX Outdrive. Any help would sure be appreciated. Re: How do I remove 5.7 Volvo engine figured it out! drive was off. this style drive did not have splines that went right from drive into motor coupler, there is an intermediate shaft that goes through the transom. took 6 bolts out from the outside of the boat and the whole intermediate shaft and motor came out together. i hear if there isnt enough room to do this then u can just unbolt the ...
